

## 10% OFF SERVICE AND SPARE PARTS JANUARY 2020

**Leistritz Machine Tools are engineered and manufactured to last**, but wear and tear on machine parts is unavoidable. To ensure **proper operation and peak performance**, we recommend working with our Service Team to conduct **regular, preventative maintenance on all machines**.

**So, ring in the new year right!** Book a service appointment by **January 31, 2020**, and **we'll help out with a 10% discount on service and parts!**

### ***Our Factory-Trained Technicians will:***

- Make sure there are no warning signs of possible internal wear or damage
- Offer recommendations to enhance the performance of the machine tool
- Suggest replacement or spare parts to extend machine life, reduce costs and down-time

### ***Leistritz Machine Tools Service offers:***

- Planning and scheduling of periodic inspections, preventative maintenance and repairs
- On-site inspections, repairs, and technical and maintenance training
- Customized contracts to help maintain your machine, keeping service costs predictable

*For information or to schedule a service appointment contact:*
